

## Decision Letter

### Cambodia Health Systems Strengthening Programme

This Decision Letter forms part of the Partnership Framework Agreement (PFA) and together with the PFA sets out the Programme Terms of the Programme. Any term used in this Decision Letter but not defined shall have the meaning given to such term in the PFA.

<b>1. Country:</b> Cambodia
<b>2. Programme payment grant number:</b> 1519-KHM-10a-Y
<b>3. Date of Decision Letter:</b> 24 April 2018
<b>4. Date of the Partnership Framework Agreement (the “PFA”):</b> 15 May 2013
<b>5. Programme: Health Systems Strengthening (HSS)</b>  For further information about the Programme please refer to: <ul style="list-style-type: none"> <li>• Gavi HSS guidelines and HSS application form available by contacting your Gavi country manager;</li> <li>• Country’s approved grant proposal together with any responses to the HSS independent review committee (IRC’s) request for clarifications;</li> </ul>
<b>6. Gavi performance based funding</b>  The Programme shall be subject to Gavi’s performance-based funding (PBF). Under this, the HSS support will be split into two payments: the programmed payment (based on implementation of the Programme) and the performance payment (based on improvements in immunisation outcomes). This means that in the first year, Country will receive 100% of the year one annual amount, as an upfront payment. After year one, countries will receive 80% of the annual amount, based on implementation of the grant. Note that countries whose total grant budget would fall below US\$3 million are exempt from this 80% rule.  Cambodia will have the opportunity to receive payments beyond the programme budget amount, for exceptional performance. Such performance payments will be based on performance on immunisation outcome indicators. For any given year, the programmed payment and performance payment may total up to 150% of the country’s year one annual amount (upfront investment).  Performance payments for a given year will be made the following year, based on performance of the indicators listed and data verification.  <u>Cambodia is not eligible to receive a performance payment for 2017, due to the discrepancy between WUENIC and admin coverage data for both DTP3 and MCV1 in 2016.</u>
