Health Systems Strengthening Programme

Any term used in this Decision Letter but not defined shall have the meaning given to such term in the Partnership Framework Agreement.

6. Gavi performance based funding

The Programme shall be subject to Gavi's performance-based funding (PBF). Under this, the HSS support will be split into two payments: the programmed payment (based on implementation of the Programme) and the performance payment (based on improvements in immunisation outcomes).

Country will have the opportunity to receive payments beyond the programme budget amount, for exceptional performance. Such performance payments will be based on performance on immunisation outcome indicators. For any given year, the programmed payment and performance payment may total up to 150% of the country's year one annual amount (upfront investment). Performance payments for a given year will be made the following year, based on performance of the indicators listed and data verification

Gavi calculation of performance payments for immunisation achievements - TOTALS:

Given that Country's DTP3 coverage was **at or above 90%** at baseline, which is defined as the year prior to the first year of HSS grant implementation, and based on WHO/UNICEF estimates, Country will be rewarded for sustaining high coverage with:

- 10% of annual country ceiling for maintaining DTP3 coverage at or above 90% and
- 10% of annual country ceiling ensuring that 90% of districts have at or above 80% DTP3 coverage.

Countries with DTP3 coverage > = 90% at baseline					TOTAL Performance payment to the Country (US\$)
Reported DTP3 coverage (WUENIC) at baseline	Eligibility for DTP3 performance payment	Amount of DTP3 performance payment (US\$)	Eligibility for geographic equity performance payment	Amount of geographic equity performance payment (US\$)	
95%	Eligible	110,000	Eligible	110,000	220,000

Should the Country wish to request the full details of the calculation method leading to the TOTAL amount of the performance payment, please contact your Gavi Senior Country Manager.
