18. Financial clarifications:	Country shall provide the following clarifications to Gavi*: <p>Not applicable</p> <p>* Failure to provide the financial clarifications requested may result in Gavi withholding further disbursements.</p>								
19. Other conditions:	Not applicable								

Due to unprecedented demand for IPV and the challenges to scale up production capacities, the global IPV supply remains constrained and is unlikely to meet all country requirements in the short term. As a consequence, the actual presentation and number of doses shipped may differ from those specified in this Decision Letter. In order to mitigate these circumstances, you are strongly encouraged to optimally manage available supply and follow recommendations and guidelines from WHO and UNICEF to reduce vaccine wastage.
