

**Country:** KENYA

**Switching from:** Rotarix, single dose plastic tube (current Rotavirus vaccine presentation)

**Switching to:** Rotavac, frozen, in 5 dose vials (new Rotavirus vaccine presentation)

**In:** 2022

**AND**

**Switching from:** PCV10, 4 doses/vial, liquid (current PCV presentation).

**Switching to:** PCV10, 5 doses/vial, liquid (new PCV presentation)

**In:** 2022

Please use this form to send Gavi the necessary information to review your country's vaccine switch.

**1. Checklist**

- |  |                                      |
|--|--------------------------------------|
| 1. Signature of Ministry of Health   | <input type="checkbox"/>             |
| 2. ICC endorsement (minutes of meeting(s) endorsing the switch decision(s). If the request is forced by supply disruption, ICC approval via email(s) is accepted and must be documented by attaching each email) | <input type="checkbox"/>             |
| 3. Stock levels of the current vaccine   | ..... (Rotavirus)<br><br>..... (PCV) |
| 4. Switch implementation plan (optional)   | <input type="checkbox"/>             |
| 5. Copy of the child vaccination card in use   | <input type="checkbox"/>             |
| 6. If a switch grant (SG) is requested: a budget using the Gavi budgeting and planning template. Please also refer to Gavi's <a href="#">Budget Eligibility Guide</a> .  | <input type="checkbox"/>             |
| 7. NITAG recommendation (optional)   | <input type="checkbox"/>             |

These documents must be submitted to enable Gavi to process this request. Requests will not be reviewed until complete.

**2. Context**

Did the country experience stockout at central level?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If Yes: for how many months?	Months .....#
For which vaccine(s)	..... (Rota or PCV or both)

### 3. Financial and programmatic considerations

Will this switch increase the country's cost?

If yes, please attach **the cost summary from the PATH Cost Calculator** and the **Ministry of Finance signature**.

Yes  No

Is cold chain capacity at all levels sufficient to accommodate the vaccine(s) in the current and future years?

Yes  No

Expected delivery date of the new vaccine presentation <sup>1</sup> (Rotavirus vaccine)

DD/MM/YYYY

Expected delivery date of the new vaccine presentation <sup>2</sup> (PCV)

DD/MM/YYYY

Planned switch date

DD/MM/YYYY

Will the country procure immunization supplies through UNICEF or the PAHO Revolving Fund?

Yes  No

If No, please attach a description of the procurement mechanism and the vaccines or goods that the country intends to procure through it.

### 4. Switch Grant (SG)

Countries may apply for a **double** switch grant to facilitate this double transition. This grant intends to cover a portion of the one-time investments associated with switch (e.g. training, document production and printing, procurement of cold boxes). The ceiling for the grant is **twice** x US\$ 0.25 per child in the birth cohort of the switch year.

To request a switch grant please **attach a budget** using the [Gavi Budgeting and Planning Template](#).

### 5. Use of financial support to fund additional technical assistance needs

Through the participation of Gavi / TCA partners, Gavi funds tailored and differentiated technical assistance in response to specific country needs. Please review the currently approved Technical Assistance Plan (also known as the "Single Technical Assistance Plan") to assess whether the support required to implement new vaccine support is included in the approved technical assistance plan. If gaps in technical assistance are detected for support to new vaccines, the additional technical assistance required may be funded by the Switch Grant. In this case, the relevant costs must be indicated in the budgeting and planning model.

---

<sup>1</sup> (actual shipment will depend on vaccine availability)

<sup>2</sup> (actual shipment will depend on vaccine availability)

## 6. Signatures from Government and coordination and advisory committees

The Government of KENYA hereby requests Gavi support to switch

**from:** Rotarix, single dose plastic tube

**to:** Rotavac, frozen, in 5 dose vials

**In:** 2022

and

**from:** PCV10, 4 doses/vial, liquid

**to:** PCV10, 5 doses/vial, liquid

**In:** 2022

The co-financing commitments in this request include the amount of support in supplies requested from Gavi, and the financial commitment of the Government for the procurement of the above-mentioned vaccine(s).

*We, the undersigned, affirm that the objectives and activities in this request are fully aligned with the national health and immunisation strategic plans (or equivalent), and that funds for implementing all activities, including domestic funds and any needed vaccine co-financing will be included in the annual budget of the Ministry of Health.*

*We, the undersigned, further affirm that the terms and conditions of the Partnership Framework Agreement between Gavi and the Country remain in full effect and shall apply to any and all Gavi support made pursuant to this request.*

**Minister of Health<sup>3</sup>  
(or delegated authority)**

**Minister of Finance<sup>4</sup>  
(or delegated authority)**
